REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claims 1-7 have been indicated for allowance because the entire combination of an image forming apparatus including printed-sheet mixture determining means for determining possibility that sheets printed by corresponding to a plurality of demands are mixed among the discharged output sheets when the output-sheet detecting means detects the removal of discharged sheets from the discharge tray and printed-sheet mixture warning means for producing warning information if the printed-sheet mixture determining means determines the possibility that sheets printed by corresponding to a plurality of demands are mixed among the discharged output-sheets and in combination with other structures could not be found in the prior art of record.

Claims 8-14 have been indicated for allowance because the entire combination of an image forming method by an image forming apparatus including the steps of determining the possibility of that sheets printed by corresponding to a plurality of demands are mixed among the removed output-sheets when the removal of discharged sheets from the discharge tray is detected by the output-sheet detecting step and producing warning information of printed-sheet mixture, if it is determined by the printed-sheet mixture determining step that the possibility that sheets printed corresponding to a plurality of the demands are mixed among the removed output-sheets is present and in combination with other method steps could not be found in the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
